

MBA Women in Leadership

EMPOWERMENT - LEADERSHIP - PROGRESS

Dedicated to inspiring,
developing and preparing
women leaders of the future.

The MBA (Women in Leadership) is a unique and innovative 2-year programme brought to you by a global partnership consisting of City University College, Ulster University and The Institute of One World Leadership.

This unique, enhanced MBA will be delivered part-time over 4 semesters, allowing you to balance both work and study to achieve the maximum benefit.

What makes this different from any other MBA programme, is its unique augmented structure which is designed to provide an enhanced learning and professional development experience above and beyond the more traditional aspects of the MBA itself. Through a series of complementary additional workshops, coaching sessions, access to international business networks and guest speakers, you will travel through a professional learning and career enhancement journey unlike no other.

and on successful completion of the programme, you will become a Fellow of the Institute of One World Leadership. This status will not only set you apart from others, but will equip you with the tools to be a successful value-based leader of the future.
